FFT
ATLAS

SYSTEM OPTIMIZATION, CYBER ASSURANCE AND MAINTENANCE

JUST WHEN YOU THOUGHT AURA AI-X COULDN'T GET ANY SMARTER? THINK AGAIN. INTRODUCING FFT ATLAS*.

With annual **event classification** and **cyber assurance updates** and worldwide **maintenance and support**, Aura Ai-X not only gets smarter every year, but is 100% ready, 100% of the time.

WHAT YOU GET

› **Deep Learning**
Annual event classification upgrades backed by FFT's Global Data Library. Removes the need for onsite tuning and algorithm upgrades.

Your Aura Ai-X will grow with your security needs.

› **Cyber Assurance**
Rigorous and continuous cyber assurance testing to the highest international standards. Eliminates any risk to security credentials.

› **Maintenance Contract**
24/7 system monitoring, management and support worldwide. No downtime. Never compromised. Always available.

*Only available with Aura Ai-X.
